

Finding What Works in Health Care: Updating Standards for Systematic Reviews - Webinar Series

End User Perspectives on Systematic Reviews

FEBRUARY 20, 2026: 9– 11AM ET

WEBINAR OBJECTIVE:

Hear from a panel of systematic review end users about how they use systematic reviews, the challenges they encounter when using reviews, how systematic reviews could be more useful for decision-making, and suggestions for how the updated standards could improve the usability of systematic reviews.
