

2024-2025 Ford Fellow Regional Liaisons

A select group of Ford Fellowship alumni, known as **Regional Liaisons**, volunteer to serve as senior mentors to Ford Fellows in their defined geographic area. Current Ford Fellows are encouraged to contact the Liaison in their region if they have any questions, issues, or concerns that develop during the fellowship year. A complete list of active Regional Liaisons is provided below.

Arizona, New Mexico, and West Texas

Ernesto Chavez

University of Texas-El Paso
