Overview of Initiatives and Plans at WU/WUSM

- Title IX Strategic Working Group focused on improving training, support, investigations university-wide
- Task Force for the Advancement of Women (Medical Campus)
- Relationship and Sexual Violence – Assessment Initiative: through a public health approach, working to develop a comprehensive assessment system to advance the prevention and response to campus sexual assault and relationship violence, aiming to fill a gap in the field's ability to provide timely and targeted information to university officials and service providers about how best to allocate prevention efforts
- Seminars (Medical Campus):
 - Creating a respectful and inclusive workplace
 - Leadership Strategies for Navigating Gender Dynamics in the workplace
 - Bystander intervention workshop
