This meeting is being held to gather information to help the committee conduct its study. This committee will examine the information and material obtained during this, and other public meetings, in an effort to inform its work. Although opinions may be stated and lively discussion may ensue, no conclusions are being drawn at this time; no recommendations will be made. In fact, the committee will deliberate thoroughly before writing its draft report. Moreover, once the draft report is written, it must go through a rigorous review by experts who are anonymous to the committee, and the committee then must respond to this review with appropriate revisions that adequately satisfy the Academies' Report Review Committee and the NAS president before it is considered an official Academies report. Therefore, observers who draw conclusions about the committee's work based on today's discussions will be doing so prematurely.

Furthermore, individual committee members often engage in discussion and questioning for the specific purpose of probing an issue and sharpening an argument. The comments of any given committee member may not necessarily reflect the position he or she may actually hold on the subject under discussion, to say nothing of that person's future position as it may evolve in the course of the project. Any inference about an individual's position regarding findings or recommendations in the final report is therefore also premature.

**Meeting Objectives**

- Orient the committee to the National Academies consensus study process
- Hold an open session to hear from sponsoring agency and leadership on their perspective of the statement of task and the responsibility of the Division of Global Migration and Quarantine
- Understand how the Division of Global Migration and Quarantine evaluates and monitors programs and policy
- Identify information needs and workplan for addressing the statement of task
- Determine framework for the report
Monday, December 6, 2021

CLOSED SESSION – COMMITTEE MEMBERS ONLY

12:00 p.m. Meeting of Closed Session

OPEN SESSION

12:45 p.m. Welcome and Meeting’s Objective

GEORGES C. BENJAMIN, Committee Chair
