NAS and its officers, directors, employees, and agents shall not be responsible for any claims, damages, or liability arising out of the Grantee's research performed using funds under this Grant Agreement.

As between the Parties to this Grant Agreement, Grantee is solely responsible for any liabilities that may arise in connection with performance under the Grant Agreement. To the extent not prohibited under the state and local laws which govern Grantee, such Party agrees to indemnify and hold NAS harmless from and against any and all costs, losses or expenses, including reasonable attorneys' fees, that NAS may incur by reason of Grantee's negligent act or omission or breach of any of the provisions of this Grant Agreement or by reason of any third-party claim or suit arising out of or in connection with Grantee's performance or failure to perform pursuant to this Grant Agreement.

ARTICLE XII– COMPLIANCE WITH LAWS

Grantee shall comply with all applicable laws, rules, regulations, ordinances, orders or requirements and any governmental authority relating to the project activities specified in this Grant Agreement. Grantee agrees to give NAS or its authorized representatives access to these records and other pertinent books, documents, papers or other records in order to conduct audits. Grant closeout does not alter these requirements.

No portion of this grant may be sub-granted, assigned, or otherwise disposed of, unless specifically authorized in writing by NAS.

ARTICLE XVI – GRANTEE REPRESENTATIONS

Grantee represents and warrants that it has all the requisite power and authority to execute, deliver, and perform this Grant Agreement and that this Grant Agreement has been duly and validly executed and delivered by each Party and constitutes the legal, valid, and binding obligation of such Party, enforceable against it in accordance with its Terms and Conditions.

ARTICLE XVII - NON-ENDORSEMENT

It is expressly agreed and understood by the Parties hereto that this Grant Agreement shall not constitute an endorsement by NAS of any entity, organization, company, or individual, nor the products, actions, behavior, or conduct of any entity, organization, company, or individual, and any negligent or intentional misrepresentation by Grantee to the contrary, in any context and in any forum, shall constitute a material breach of this Grant Agreement, and the same shall be grounds for immediate termination of this Grant Agreement by NAS.

ARTICLE XVIII - DISPUTES

Both Parties agree to enter into negotiation to resolve any dispute. Both Parties agree to negotiate in good faith to reach a mutually agreeable settlement within a reasonable amount of time. If negotiations are not successful, NAS and Grantee agree to enter into binding arbitration. The American Arbitration Association (AAA) Commercial Arbitration Rules (most recent edition) would govern this Arbitration. The Arbitrator will follow the applicable agreement provisions and District of Columbia law in adjudicating the dispute. It is agreed by both Parties that the Arbitrator's decision is final, and that neither Party may take any action, judicial or administrative, to overturn this decision. The judgment rendered by the Arbitrator may be entered in any court having jurisdiction thereof.
