

Mapping STEM Opportunity: A Dissemination Workshop of the Call to Action for Science Education

FRIDAY, JANUARY 6, 2023

Purpose

- Share promising examples of how data is being used now
- Discuss strategies for future work
 - How data can be used to inform decision making at the institution, district, or state level?
 - How to tailor discrete strategies to address contextual needs?

[All in ET]

1:00–1:05	Welcome/Background
1:05–1:10	Framing Remark
