

Carbon Utilization Infrastructure, Markets, Research and Development – Report 2, Meeting #2

February 27, 2023

PUBLIC AGENDA

[Livestream Link](#)

Monday, February 27, 2023

9:00 am

Convene Open Session 1

Welcome and Opening Remarks

Emily Carter, Committee Chair, and Beth Zeitler, Study Director

9:10 am

Presentations by DOE Sponsors

DOE Office of Fossil Energy and Carbon Management

Amishi Claros, Acting Division Director, Carbon Dioxide Removal and Conversion

DOE Bioenergy Technologies Office

Christy Sterner, Technology Manager, Advanced Algal Systems Program

DOE Biological and Environmental Research Program

Todd Anderson, Acting Associate Director

10:40 am

Break

10 min

10:50 am

Continued Presentations by DOE Sponsors

DOE Basic Energy Sciences Program

Gail McLean, Acting Director of the Chemical Sciences, Geosciences, and Biosciences

Raul Miranda, Team Lead, Chemical Transformations

11:20 am

Discussion with DOE Sponsor Offices and Committee

DOE Sponsor Offices and NASEM Committee

12:00 pm

Enter Closed Session

1:00 pm

Reconvene Open Session

Congressional Perspective on Carbon Utilization

House Committee on Science, Space, and Technology
Hillary O'Brien, Staff Director, Republican
Adam Rosenberg, Subcommittee Staff Director, Democratic

Senate Committee on Energy and Natural Resources
CJ Osman, Counsel, Democratic
Tripp Parks, Deputy Chief Counsel, Republican
Valerie Manak, Professional Staff Member, Republican

1:30 pm

ARPA-E and DOE-OCED Presentations

ARPA-E (FLECCS, ECOSYNBIO, HESTIA, and CO₂ utilization program)
Marina Sofos, Program Director
Jack Lewnard, Program Director
James Seaba, Program Director

DOE Office of Clean Energy Demonstrations
Todd Shrader, Director, Project Management

3:00 pm

Adjourn Open Session
