

## Our story is a story of process.

*What happens in a foundry powerfully parallels what God does here in the lives of men, women and families battling challenges such as substance abuse, legal offenses, poverty, spiritual brokenness and much more.*

## Our story is the story of lives that some believe are hopeless.

*We see potential and purpose in the men, women and children we serve. Our programs move them through our process of loving, teaching, working and learning so they can leave the past behind and move forward to the life of hope and peace God intends for His children.*

### Our Vision

*Permanently transformed lives through Christ-centered ministries.*

### Our Mission

*Our mission is to restore hope and rebuild the lives of the addict, the ex-inmate, and the destitute through Christ centered programs of **Rescue, Recovery, and ReEntry.***
