

Setting the Stage: What We Learned From You!

RESULTS OF THE NEEDS
ASSESSMENT SURVEY

LAWRENCE SHERMAN,
FACEHP, CHCP

What We Did

Survey launched 1st June 2020 and data still being collected!

As of 3rd August there were 329 responses including 39 Forum members

You exceeded our expectations, and this is awesome!

As a result the planning committee and presenters customized their sessions!

Building a pipeline into health professional education	Broadening recruitment into health professional education	Training new recruits and current faculty to be effective educators	Recognizing facilitating structures for informal faculty development	Evaluating faculty development (that includes designing)
