Notable RD&T Funding

Set Asides HRD

- Strategic Innovation for Revenue Collection: \$15M (\$13001)
- National VMT Pilot: \$10M (\$13002)
- Advanced Transportation Technologies and Innovative Mobility Deployment (ATTIMD): \$20M (\$13006 (b))
- Small Business Innovation Research (SBIR) \$3.26M (15 USC 638)

Mandatory Unspecified Funding

- Performance Management Data Support Program: Up to \$10 Million Annually (\$13003)
- Permeable Pavements Study; TBD (\$11518)
- Study on Stormwater Best Management Practices; TBD (\$11520)
- Research and Technology Development and Deployment (Conditions & Performance Report): Est. \$1.25M (\$3006(a)(2)(F))
- Highway Cost Allocation Study: Est. \$7M (\$11530)
- Cybersecurity Tool: TBD (\$11510)

Eligible Activities

- Improve highway safety and infrastructure integrity;
- Strengthen transportation planning and environment decision-making;
- Reduce congestion, improve highway operations, and enhance freight productivity;
- Exploratory Advanced Research;
- Operation of TFHRC.

TIDP Set Asides

- Accelerated Implementation and Deployment of Pavement Technologies (AIDPT): \$12M [23 USC 503(c)]
- Accelerated Implementation and Deployment of Advanced Digital Construction Management Systems: \$20M (\$13006 (a)(5))
- Advanced Transportation Technologies and Innovative Mobility Deployment (ATTIMD): \$19M (\$13006 (b))

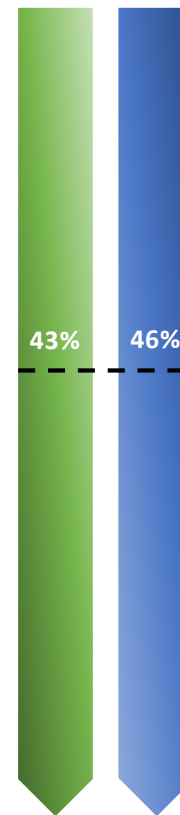

Mandatory Unspecified Funding

- Center of Excellence on New Mobility and Automated Vehicles; TBD (\$13006 (c))
- Transportation Access Pilot Program: TBD (\$13010)
- Vulnerable Road Users – Establishment of Research Plan: TBD (\$11122(b))

Eligible Activities

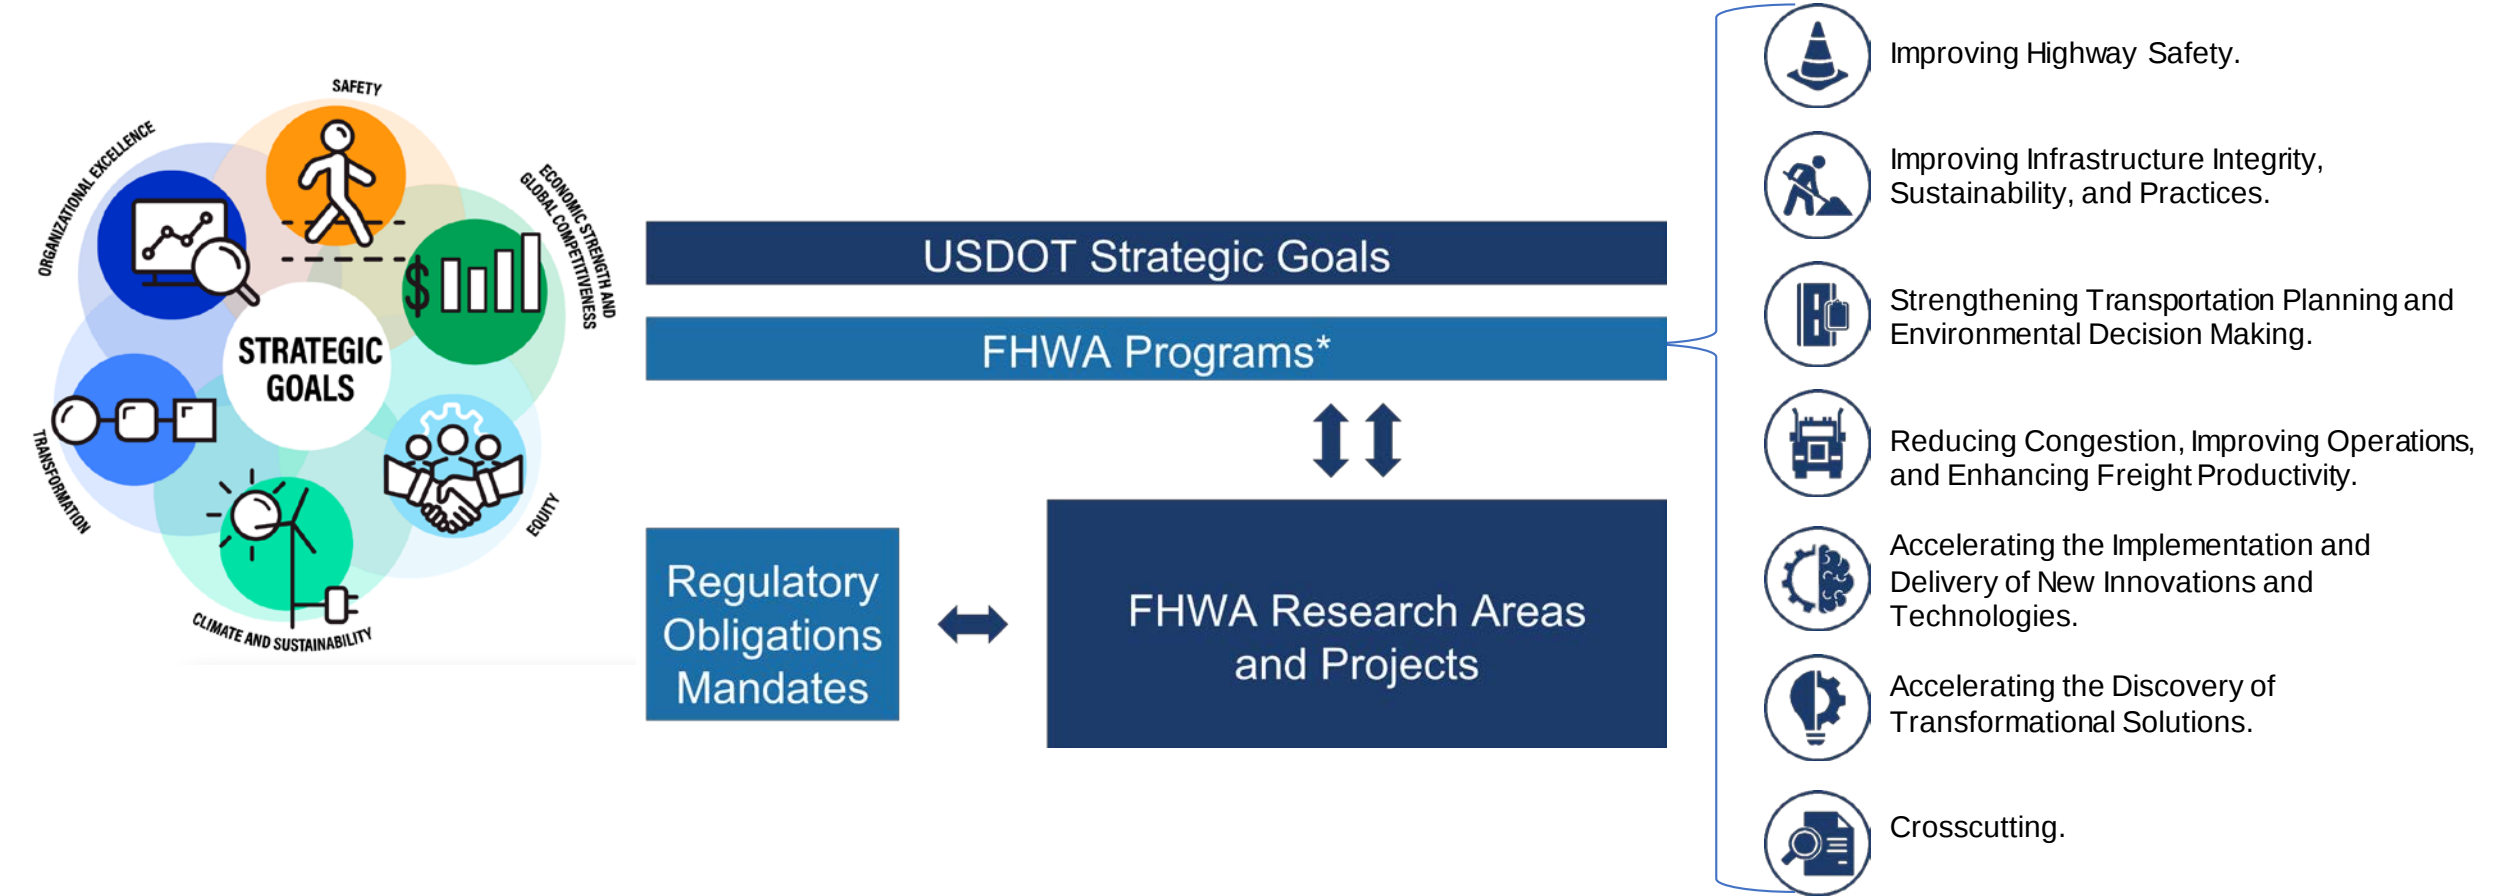

- Deploy research results and product developed under HRD;
- Demonstration programs;
- Technical assistance and training to researchers and developers;
- Tools and methods to accelerate adoption of practices and methodologies.
