

## Resilience of the Research Enterprise During the Covid-19 Crisis: Transitioning to Hybrid Virtual and In-Person Research, Learning, and Work Environments

June 22<sup>nd</sup>, 2020

Participants List

Brian	Abrahamson	Pacific Northwest National Laboratory	Chief Information Officer
Tilak	Agerwala	TKMA Consulting	IBM Emeritus
Majed	Alharbi	Boeing	Program Manager
Tom	Arrison	National Academies of Sciences, Engineering, and Medicine	Director
Lida	Beninson	National Academies of Sciences, Engineering, and Medicine	Senior Program Officer
Vita	Berezina-Blackburn	Ohio State University	Animation Specialist
Kristin	Broderick	VIRTUA	Research Assistant
Patricia	Brown	National Institutes of Health	Director, OLAW
Philip	Bucksbaum	Stanford University	Professor
Coleen	Burrus	Princeton University	Director
Robert	Butera	Georgia Tech	Vice President for Research Development and Operations
Joan	Centrella	West Virginia University	Executive in Residence
Danielle	Connors	Virtua Health Clinical Trials	Clinical Research Assistant
Cathleen	Crayton	University of Southern California	Project Specialist
Cindy	Danielson	National Institutes of Health	
Katie	Devine	Rutgers Cancer Institute of New Jersey	
Alia	Dietsch		
David	Draper	NASA	Deputy Chief Scientist
Ami	Gadhia	National Institutes of Health	Senior Technology Transfer & Patenting Specialist
Gallya	Gannot	National Institutes of Health	
Aaron	Garduño Rodriguez	Moscow Aviation Institute	Ph.D. Student
Mridul	Gautam	University of Nevada, Reno	Vice President for Research & Innovation
Rashmi	Gopal	National Institutes of Health	Program Director
James	Green	NASA	Chief Scientist
Brittany	Haynes	National Institutes of Health	

Donna	Hoopes	Virtua Cardiology Research	Research Coordinator
Janet	Hunziker	National Academy of Engineering	Director, Frontiers of Engineering Program
Marna	Kagele	Boeing	
Richard	Karnesky		
Joseph	Keller		
Mehmood	Khan	Life Biosciences	CEO
Robert	Knotts	Georgia Tech	
Michael	Kuhlman	Battelle	Chief Scientist
Dimitris	Lagoudas	Texas A&M University	Professor
Laurie	Leshin	Worcester Polytechnic Institute	President
Molly	Liechty		Research scientist
Laurie	Locascio	University of Maryland	Vice President for Research
Maria	Lonnberg	Embassy of Sweden	Science and Innovation Officer
Betsy	Myers	DDCF	Director
Megan	Nicholson	National Academies of Sciences, Engineering, and Medicine	Program Officer, GUIRR
Carol	Page	University of NC Wilmington	Purchasing Services
Maria	Palazzi	Ohio State University	Professor
Efi	Papafragkou	FDA	Research Biologist
Jeremy	Patterson	Ohio State University	
Timothy	Persons	Government Accountability Office	Chief Scientist, Managing Director
Caroline	Powers		
Allison	Ray	Idaho National Laboratory	Research Excellence Lead
Narasimha	Reddy	Texas A&M Engineering	Associate Dean of Research
Bradley	Ritts	University of Idaho	Interim Vice President for Research
Erica	Rosemond	National Institutes of Health	
Peter	Schiffer	Yale and AAU	Professor and AAU Senior Fellow
Kelly	Singel	National Institutes of Health	AAAS Science & Technology Policy Fellow
Kelly	Sullivan	Pacific Northwest National Laboratory	Institutional S&T Investments
Sydney	Sullivan	Duke University	
Chi	Tian	Purdue University	
Amy	Uldrick	TRA	Vice President, Risk Management
Melissa	Valentine	Stanford University	
Gabriela	Vazquez	Florida International University	

Marianne	Walck	Idaho National Laboratory	Deputy Laboratory Director, Chief Research Officer
Jeff	Welser	IBM	Vice President of IBM Research - Almaden
Paula	Whitacre		
Nick	Wigginton	University of Michigan	AVP Research
Bingbing	Zhang	University of Central Florida
