NATIONAL ACADEMIES Sciences Engineering Medicine

Open Session

3:30 pm
Update from the Federal DRI Steering Committee
...*Cindy Davis, US Department of Agriculture-Agricultural Research Service*
...*Krista Esslinger, Health Canada*

3:45
Challenges and Opportunities Surrounding the Use of Artificial Intelligence and Machine Learning Methodologies in Food and Nutrition Research
Welcome and Introductions by Shiriki Kumanyika, FNB Chair

3:50
Opening Remarks
...*Rodolphe Barrongou, North Carolina State University*

4:00
Utilizing Artificial Intelligence and Machine Learning As Multi-Systems Approaches to Nutrition Questions
...*Bruce Y. Lee, City University of New York*

4:20
The Interface between Artificial Intelligence, Machine Learning, and Clinical Trials
...*Nicholas Schork, The Translational Genomics Research Institute*

4:40
Questions and Discussion
Moderated by Rodolphe Barrongou, North Carolina State University

5:00 pm
Adjourn Open Session
