

Cancer Care and Cancer Research in the Context of the COVID-19 Pandemic: A Virtual Workshop on Lessons Learned

AGENDA

JULY 26, 2021

11:00AM- 4:00 PM Eastern Time Zone

11:00 am	<p>Welcome from the National Cancer Policy Forum and Overview of the Workshop Richard L. Schilsky, University of Chicago Workshop Planning Committee Chair</p>
11:10 am	<p>SESSION 1: Cancer Care Delivery During the COVID-19 Pandemic and the Impact on Patients With Cancer <i>Moderators:</i> Nancy Davidson, Fred Hutchinson Cancer Research Center/Seattle Cancer Care Alliance Lawrence Shulman, University of Pennsylvania Abramson Cancer Center</p> <p>Session Objective: To review changes in cancer care delivery in the immediate aftermath of the pandemic and discuss the health and socio-economic implications of the COVID-19 pandemic on cancer care delivery.</p> <p>Session Keynote: Impact of the COVID-19 Pandemic Across the Cancer Care Continuum Robert A. Winn, Virginia Commonwealth University Massey Cancer Center</p> <p>Patient Advocacy Perspective Shelley Fuld Nasso, National Coalition for Cancer Survivorship</p> <p>Cancer Medicine in the Time of COVID-19: Organizational Collaborations Lawrence Shulman, University of Pennsylvania Abramson Cancer Center</p> <p>Community Oncology Perspective Randall A. Oyer, Association of Community Cancer Centers; and Penn Medicine Lancaster General</p> <p>Integrated Care Perspective Steven Pergam, Fred Hutchinson Cancer Research Center/Seattle Cancer Care Alliance</p> <p>COVID and Cancer Care: Lessons Learned in a Large, Academic Health Center Karen E. Knudsen, American Cancer Society</p> <p>Center for Medicare and Medicaid Innovation Perspective Lara Strawbridge, Center for Medicare & Medicaid Innovation</p> <p>Panel Discussion</p>

12:35 pm	Transition Break
12:50 pm	<p>SESSION 2: Clinical Cancer Research During the COVID-19 Pandemic</p> <p><i>Moderators:</i> <i>Antoni Ribas, University of California, Los Angeles/American Association of Cancer Research</i> <i>James Doroshow, National Cancer Institute</i></p> <p>Session Objective: To discuss the implications of the COVID-19 pandemic on the conduct of cancer clinical trials and review the changes made in the immediate aftermath of the pandemic.</p> <p>Session Keynote: Clinical Cancer Research During the COVID-19 Pandemic <i>Mia Levy, Rush University Medical Center</i></p> <p>Challenges and Potential Benefits for Patients <i>Jane Perlmutter, Patient Advocate</i></p> <p>Impact of COVID-19 on NCI-Supported Clinical Trials <i>James Doroshow, National Cancer Institute</i></p> <p>Impact of COVID-19 on Clinical Studies <i>Fareed Melhem, Acorn AI Labs at Medidata</i></p> <p>COVID-19: Industry Challenges and Opportunities <i>Dietmar Berger, Sanofi (Speaking on behalf of TransCelerate)</i></p> <p>Food and Drug Administration Perspective <i>Sundeep Agrawal, Food and Drug Administration</i></p> <p>Panel Discussion</p>
2:15 pm	Transition Break
2:30pm	<p>SESSION 3: Roundtable Discussion: Telehealth in Cancer Care and Clinical Cancer Research: Opportunities, Constraints, and Unintended Consequences</p> <p><i>Moderators:</i> <i>Larissa Nekhlyudov, Brigham & Women's Hospital/Dana-Farber Cancer Institute</i> <i>Karen E. Knudsen, American Cancer Society</i></p> <p>Session Objective: To discuss the benefits and challenges of telehealth in cancer care and cancer research, including the potential for unintended consequences.</p>

	<p>Session Keynote: Veterans Health Administration TeleOncology and Decentralized Clinical Trials <i>Michael Kelley, Duke University; Durham VA Medical Center</i></p> <p>Panel Discussion Includes Michael Kelley and:</p> <p>Oncology Clinician Perspective <i>Robin Zon, Michiana Hematology Oncology, PC</i></p> <p>Telehealth and Clinical Research <i>David Spiegel, Sarah Cannon</i></p> <p>Scaling Virtual Care at an Academic Enterprise <i>Inga T. Lennes, Massachusetts General Hospital</i></p> <p>NCI Research Initiatives to Advance Telehealth for Cancer Care <i>Paul Jacobsen, Division of Cancer Control and Population Sciences, National Cancer Institute</i></p> <p>Telehealth at the NIH Clinical Center <i>William L. Dahut, Center for Cancer Research, National Cancer Institute</i></p> <p>Food and Drug Administration Perspective <i>Leonard Sacks, Food and Drug Administration</i></p> <p>Incorporating Telehealth into Medicare Fee-for-Service, Post Pandemic <i>Lee A. Fleisher, Centers for Medicare & Medicaid Services</i></p> <p>Policy and Payment Opportunities to Advance Virtual Cancer Care and Research <i>Michael McNeely, Health Resources and Services Administration</i></p> <p>Q&A</p>
4:00 pm	<p>Wrap-Up Day 1 and Adjourn Richard L. Schilsky, University of Chicago Workshop Planning Committee Chair</p>
<p>JULY 27, 2021 11:00AM- 4:00PM Eastern Time Zone</p>	
11:00 am	<p>Welcome and Overview of Day 2 Richard L. Schilsky, University of Chicago Workshop Planning Committee Chair</p>

11:10 am	<p>SESSION 4: Learning Rapidly to Improve Cancer Care Delivery and Advance Health Equity Beyond the COVID-19 Pandemic</p> <p><i>Moderators:</i> <i>Randall Oyer, Association of Community Cancer Centers, Penn Medicine Lancaster General</i> <i>Robert Winn, Virginia Commonwealth University Massey Cancer Center</i></p> <p>Session Objective: To explore new approaches and opportunities to improve the delivery of high-quality cancer care and to promote equitable access to high-quality care.</p> <p>Session Keynote: Delivering Cancer Care More Safely and Equitably in a Post-Pandemic Era <i>Lori Pierce, American Society of Clinical Oncology President for 2020-2021; University of Michigan</i></p> <p>Advancing Health Equity <i>Marcella Nunez-Smith, Presidential COVID-19 Health Equity Task Force; Yale School of Medicine</i></p> <p>The Patient Experience Beyond the Clinical Walls: The Social Determinants of Health <i>Shonta Chambers, Patient Advocate Foundation</i></p> <p>Impact of COVID-19 on Oncology Care: Payer Perspective on Cancer Care Improvement <i>Bhuvana Sagar, Cigna Health Care</i></p> <p>Opportunities for Care Redesign for Vulnerable Communities <i>Christopher Lathan, Dana-Farber Cancer Institute; Harvard Medical School</i></p> <p>Equity and Access to Radiation Therapy <i>Karen Winkfield, Meharry-Vanderbilt Alliance</i></p> <p>U.S. Tribal Communities Perspective <i>Loretta Christensen, Indian Health Service</i></p> <p>Panel Discussion</p>
12:35 pm	Transition Break
12:50 pm	<p>SESSION 5: Learning Rapidly to Improve the Conduct of Cancer Clinical Research Beyond the COVID-19 Pandemic</p> <p><i>Moderators:</i> <i>Samir Khleif, Georgetown University Medical Center; Society for Immunotherapy of Cancer</i> <i>Donna Rivera, Food and Drug Administration</i></p> <p>Session Objective: To explore lessons that can be learned from other contexts to inform and guide our next steps to improve the conduct of cancer clinical research and make clinical trials more accessible and efficient.</p>

	<p>Session Keynote: Accelerating Research to Practice <i>Douglas Lowy, National Cancer Institute</i></p> <p>Learning from the COVID-19 Pandemic: Expanding Opportunities for Robust Evidence Generation <i>Paul Kluetz, Food and Drug Administration</i></p> <p>Impact of COVID-19 in Oncology: A Pharma Perspective <i>Kald Abdallah, Bristol Myers Squibb</i></p> <p>Insights Derived from Real World Clinical Data <i>Elizabeth Garrett-Mayer, American Society of Clinical Oncology</i></p> <p>Adaptive Platform Trials in COVID-19: Pros, Cons, and Potential Implications for Oncology <i>Derek Angus, University of Pittsburgh Medical Center</i></p> <p>COVID-19 Vaccine Clinical Trials: Lesson Learned <i>Randall Hyer, Moderna, Inc</i></p> <p>Sustaining Progress of What We Learned from the COVID-19 Pandemic <i>Robert M. Califf, Verily Life Sciences and Google Health</i></p> <p>Panel Discussion</p>
2:15 pm	Transition Break
2:30 pm	<p>Session 6: Panel Discussion: Collaboration and Coordination to Improve Cancer Care and Cancer Research in the Post-Pandemic Era <i>Moderator: Richard L. Schilsky, University of Chicago</i></p> <p>Session Objective: To discuss how to make the COVID adaptations "stick" going forward so we do not revert to pre-COVID form.</p> <p>Panelists (Session Co-Moderators) <i>Session 1: Nancy Davidson and Larry Shulman</i> <i>Session 2: Antoni Ribas and James Doroshow</i> <i>Session 3: Larissa Nekhlyudov and Karen Knudsen</i> <i>Session 4: Randall Oyer and Robert A. Winn</i> <i>Session 5: Samir Khleif and Donna Rivera</i></p> <p>Open Discussion</p>
3:55 pm	Workshop Wrap-Up
4:00 pm	Adjourn
