Thomas Anthony Chávez, Ph.D., LMHC, NCC
Assistant Professor/Research Faculty
University of New Mexico – Health Sciences

Transdisciplinary Research, Equity and Engagement Center (TREE)

HEALTH SCIENCES
TRANSDISCIPLINARY RESEARCH,
EQUITY AND ENGAGEMENT CENTER

NIMHD Grant # U54 MD004811-09

- The TREE Center cultivates the collective passion and responsibility among local state, tribal and national stakeholders to create opportunities for transformative impact to:
 1. Improve behavioral health equity among diverse communities;
 2. Nurture community/academic ways of knowing; and
 3. Prepare the next generation for conducting transdisciplinary multi-level intervention research.
