**Welcome**

Sheila Burke and Daniel Polsky, Committee Co-Chairs

**2:05 – 3:30**

**Public Comment**

The National Academies of Sciences, Engineering, and Medicine invites the public to provide comments to be considered by the Committee on the Review of Federal Policies that Contribute to Racial and Ethnic Health Inequities.

At this meeting (September 9, 2022), the committee welcomes input on federal policies that contribute to racial and ethnic health inequities and potential solutions.

The committee is interested in hearing about lived experiences navigating federal programs and systems including barriers and solutions from community members and organizations.

Additional questions the committee would like input on are:

- What are examples of federal policies that create racial and ethnic health inequities?
- What are examples of federal policies that promote racial and ethnic health equity?
- What are the most important considerations when prioritizing action regarding federal policies to advance racial and ethnic health equity?

If you would like to provide oral comments at the meeting, please send an email with your name and affiliation to [HealthEquityPolicies@nas.edu](mailto:HealthEquityPolicies@nas.edu) (each individual will have up to 3 minutes).
