

ROUNDTABLE ON POPULATION HEALTH IMPROVEMENT

Population Health in Challenging Times: Insights from Key Domains | A Virtual Workshop

AGENDA

September 21-24, 2020

Location: [Link \(webcast at times listed below\)](#)

WORKSHOP OBJECTIVES

Explore how some of the key sectors in population health view the COVID-19 pandemic and the movement for racial justice, and how they are using this moment as:

- (1) A platform for reimagining how they work (i.e., not merely to rebuild, but to build anew),
- (2) An opportunity to develop and deploy solutions (including policy) to extraordinary challenges, and
- (3) A bridge for more effectively working with other sectors or organizations.
