

Addressing the Adverse Consequences of Cancer Treatment

A WORKSHOP

November 9-10, 2020

#NatlCancerForum

NATIONAL
CANCER POLICY
FORUM

*The National
Academies of*

SCIENCES
ENGINEERING
MEDICINE

Planning Committee Co-Chairs:

Cathy Bradley, PhD

Lisa Kennedy Sheldon, PhD, ANP-BC, AOCNP®, FAAN

Forum on Aging, Disability, and Independence

Julie Bynum, MD, MPH

THE NATIONAL CANCER POLICY FORUM

This Forum provides a continual focus within the National Academies on **cancer**, addressing issues in **science, clinical medicine, public health, and public policy** that are relevant to the goal of reducing the cancer burden.

SPONSORS OF THE NATIONAL CANCER POLICY FORUM

Centers for Disease Control and Prevention
National Institutes of Health/National Cancer Institute
American Association for Cancer Research
American Cancer Society
American College of Radiology
American Society of Clinical Oncology
Association of American Cancer Institutes
Association of Community Cancer Centers
Bristol-Myers Squibb
Cancer Support Community
CEO Roundtable on Cancer
Flatiron Health
Merck
National Comprehensive Cancer Network
National Patient Advocate Foundation
Novartis Oncology
Oncology Nursing Society
Pfizer Inc.
Sanofi
Society for Immunotherapy of Cancer

THE FORUM ON AGING, DISABILITY, AND INDEPENDENCE

This Forum provides a neutral venue to discuss issues that affect an **individual's ability to live independently**, focusing both on individuals who are aging with a disability and individuals who develop disabilities as they age.

A decorative vertical bar on the left side of the slide, featuring a complex, low-poly geometric pattern in various shades of blue, ranging from dark navy to light sky blue.

SPONSORS OF THE FORUM ON AGING, DISABILITY, AND INDEPENDENCE

AARP

Administration for Community Living

American Geriatrics Society

Consumer Technology Association Foundation

LeadingAge

National Institute on Aging

National Institute on Disability, Independent Living, and Rehabilitation Research

PHI

The Gerontological Society of America

The John A. Hartford Foundation

WORKSHOP GOALS

- Provide an overview of the array of adverse consequences of cancer treatment across the lifecourse, including physical, psychological, and socioeconomic
- Highlight strategies to improve informed and goal-concordant care
- Discuss opportunities to redesign cancer treatment to screen for and reduce toxicities
- Identify opportunities to strengthen the evidence base for addressing the adverse consequences of cancer treatment
- Examine the potential for system-level redesign and policy change to improve survivorship care
- Participant recommendations for the path forward

A decorative blue geometric pattern consisting of various shades of blue triangles and polygons, located on the left side of the slide.

WORKSHOP AGENDA

DAY I: NOVEMBER 9, 2020

Session 1

Workshop Overview

Session 2

Overview and Evidence Gaps Across the Lifecourse

Session 3

Psychosocial and Socioeconomic Consequences and Data Needs

Session 4

Opportunities to Improve Informed Decision Making and Goal-Concordant Cancer Care: Long-Term Adverse Consequences

Session 5

Opportunities to Redesign Cancer Treatment to Screen for and Reduce Toxicities

A decorative blue geometric pattern consisting of various shades of blue triangles and polygons, located on the left side of the slide.

WORKSHOP AGENDA

DAY 2: NOVEMBER 10, 2020

Session 6

Improving the Evidence Base for Addressing the Adverse Consequences of Cancer Treatment

Session 7

Opportunities for System-level Redesign and Policy Change

Session 8

Panel Discussion: Participant Recommendations for the Path Forward

*We encourage you to ask questions of the speakers via the chatbox below the webcast.
Please include your name and affiliation with your questions.*
