

IMPEDIMENTS TO EFFICIENT/EFFECTIVE TRANSLATION

- Time/Resources
 - Information deficit
 - Ignorance or obfuscation
 - Incompetence
 - Course correction
 - Regulatory system/Medical practice
- Systemic reform
 - Continuous learning: data mining and sharing
 - Transparency at all levels
 - Sophisticated, responsible oversight
 - Flexible leadership
 - Recognition of risk by all parties: Two-stage approval process including patient monitoring; Adaptability of treatment protocols with new information

Perpetuating Commercialization of Scientific Innovation Synergenics Business Model

Synergenics Companies
