

COLLABORATION, COORDINATION AND COMMUNICATION: BUILDING RESILIENCE

Anne Strauss-Wieder

DEFINING SUPPLY CHAINS AND RESILIENCE

How goods move starting from materials sourcing to where production occurs and then to where they are consumed.

Business continuity refers to the capacity to continue to delivery products or services after a disruptive event.

COMMUNITY CONTINUITY

Community continuity refers to the capacity to continue to support the area's population and secure its economic base after a disruptive event.

Definition Source: Anne Strauss-Wieder

THE IMPORTANCE OF BUSINESS & COMMUNITY CONTINUITY

- 30 percent of all companies that experience a catastrophic loss fail within the first two years after the event.
- Another 29 percent shut down after this time.
- Severe and potentially permanent economic losses for communities.

SUPPLY CHAIN RISK CATEGORIES

- Natural Disasters
- Human Caused Disruptions
- Supplier Risks
- Cybersecurity and Information System Failures
- Transportation Failures
- Quality Failures

THE DISRUPTION SPECTRUM

**Planned
Disruptions**

**Predictable
Disruptions**

**Rapid
Disruptions**

**Abrupt
Disruptions**

Continuing Disruptions

**Columbia
River Closure,
Road Closures**

**Winter
Weather,
Labor Actions**

**Hurricane Katrina,
Superstorm Sandy,
Pandemic**

**9/11, Howard Street
Tunnel Fire, 2017
Cyberattack, 2024
Dali**

**Ukraine War, Middle
East Conflict, Ongoing
Humanitarian Relief**

UNDERSTANDING THE CAUSES

Analyze using the
“Bowtie Approach.”

Develop a “Risk
Register.”

ANALYZING YOUR FREIGHT SYSTEM AND SUPPLY CHAINS

- Determine what the most important commodity movements are from community and business continuity perspectives.
 - *Now and in the future*
- Identify the key freight system elements (road, rail, waterborne, air cargo, and facilities) most necessary to keep these goods flowing.
- Consider emerging trends, technologies and public goals.
- Ascertain freight movement alternatives and undertake scenario analyses.
- Identify and develop working relationships with the key partners.

MOVE FORWARD TOGETHER

THANK YOU
