IGE Hub Needs Assessment

What types of resources would be most useful in supporting your project goals?

What do the arts have to do with Individual Development Plans and trainee success?

Level one- Access to IDP-Process

- Access resources (e.g. ChemIDP.org, myIDP)
- Workshop (1.5 hr)

Corrie Kuniyoshi, PhD
I3IDP.org (NSF 1806607)

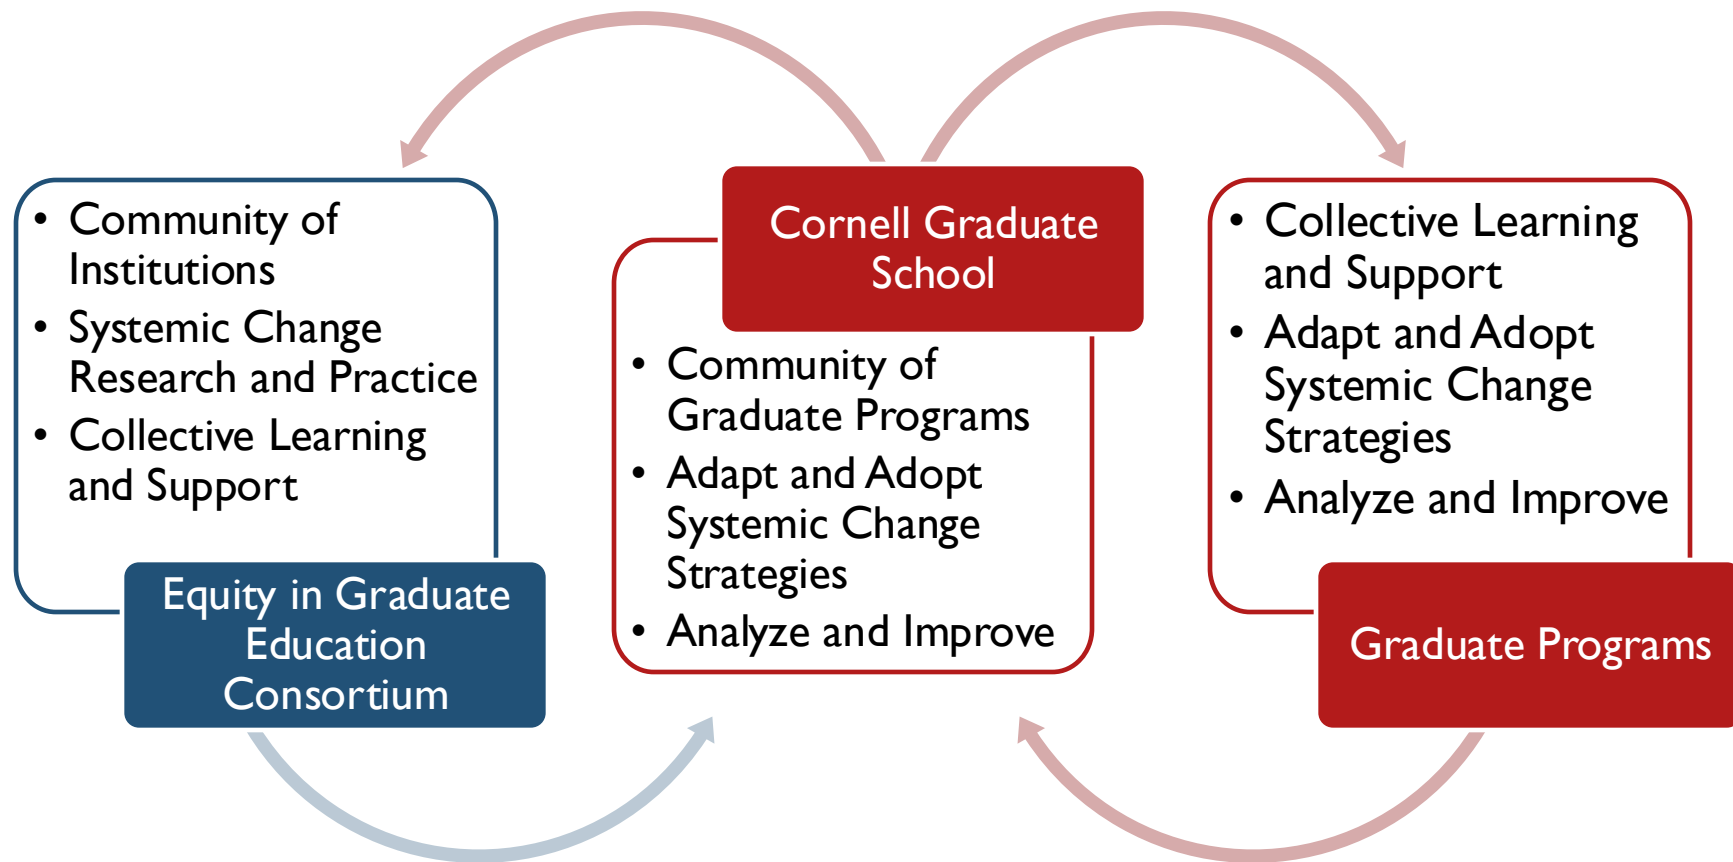

Level two - Mentorship

- Cohort model (40 students; 2hr/10 mo)
- Industry exposure/internships
- Competencies training
- IDP-Process with mentors
- Evaluation/measurements

Level three- Transformation

- Resilience and individuality
- 5 Nobel Laureates and 40 mentors
- Tango
- Telling their story through IDPs
- Over 95% satisfied

“The IDP-Process taught me to be more confident in pursuing my aspirations and to be humble in the future” - Grad student

Continuous Improvement Cycles
