

AGENDA

February 15-16, 2024

Exploring Holistic Oral Health Value Proposition Frameworks Embedded Within a Whole Health Home: A Workshop Global Forum on Innovation in Health Professional Education

Penn Dental Medicine

Corby Auditorium

240 S. 40th St

Philadelphia, PA 19104

Objectives

- To understand the challenges faced by different stakeholder groups in offering and receiving oral disease prevention and oral health promotion efforts
- To learn from and with other professions and communities for a fuller understanding of each stakeholder's pains and gains
- To explore a value proposition for oral disease prevention, interprofessional oral health education, and payment models for demonstrating improved overall health of persons with mental and physical disabilities.
