

CPOP Study on Global Forced Migration and U.S. Resettlement Trends, Outcomes, and Policy Impacts

Meeting 4

February 19 – 20, 2025

The Beckman Center

100 Academy, Irvine, California, 92617

**Board Room (Day 1); Closed
Back Bay Room (Day 2); Open**

Meeting Goals: The committee will hear from several expert presenters working on a range of topics relevant to the study charge. The presentations and informal discussion will help inform the committee's deliberations, including about local area immigrant integration experiences, making the distinction between resettled refugees and asylees and other forcibly displaced populations who don't come with the same resources and supports.
