

# NEUROSCIENCE DATA IN THE CLOUD

## A WORKSHOP

SEPTEMBER 24, 2019

#NEUROFORUM

*The National  
Academies of*

SCIENCES  
ENGINEERING  
MEDICINE

# **SESSION I: THE USE OF CLOUD-BASED TECHNOLOGY FOR NEUROSCIENCE RESEARCH – AN OVERVIEW OF SUCCESSES AND CURRENT BARRIERS**

## **Session Objectives:**

- Explore the range of neuroscience cloud-based initiatives and other uses of cloud technology within neuroscience research.
- Discuss current successes and barriers in the field.

## Session Overview

**ADAM FERGUSON**, University of California, San Francisco (Moderator)

## Speakers

**MARYANN MARTONE**, University of California, San Diego; International Neuroinformatics Coordinating Facility

**RUSSELL POLDRACK** (*via webcast*), Stanford University

**NICK WEBER**, National Institutes of Health
